ABOUT ME

I am a focused and enthusiastic learner with a strong interest in web development. During my academic years, I consistently achieved top performance in my class through self-driven learning and commitment to growth. Though I preferred to stay quiet in class, I remained clear about my goals and worked steadily toward them. I am now looking forward to starting my career in website development.

EDUCATION

GURU NANAK DEV UNIVERSITY	August 2024- May 2026

PROJECTS

- **Tourism Website**

Frontend: ASP.NET with C# as programming Language

Backend Microsoft SQL Server Express Edition

I addressed the lack of a comprehensive and user-friendly platform for individuals to explore and plan their trips to various destinations within India.

Online payment integration: I have added dummy payment integrated from Razor Pay

Email Sending Feature: When a user confirms the booking, mail is sent to their respective mail ID using ASP.NET and SQL Server.

- **Personal Portfolio Website**

A responsive portfolio website built with HTML, CSS, and Bootstrap to showcase my skills and projects.

- **Spotify clone website**

A responsive spotify clone website built with HTML, CSS
